

HEALTH CARE CHOICES AND PREMIUMS UNDER OBAMACARE

What is happening in Maryland

AVG. MONTHLY PREMIUMS

CHOICE OF INSURERS

RELIEF FROM FEDERAL REGULATIONS CAN MAKE PREMIUMS MORE AFFORDABLE

While in most states premiums are up and choices are down, some states have seen improvements by taking advantage of some limited regulatory relief. Average premiums have declined in six states that got Obamacare federal waivers: Alaska (down 23%), Maine (down 6%), Maryland (down 8%), Minnesota (down 18%), New Jersey (down 10%), and Wisconsin (down 3%).
